

Drunkard's Path Block

from <https://www.quiltingdaily.com/pattern-drunkards-path-wedding-ring-variation/>

Finished Size 12" x 12"

You will need the template for the pieces. If they aren't with these directions you can download them from the site above.

These directions are for three colors. Cream, Peach and Black Print. (If it's not obvious in the picture, the Peach is used in the center circle.)

Cutting:

From **Cream**, cut

- 8 of Template A
- 4 of Template B

From **Peach**

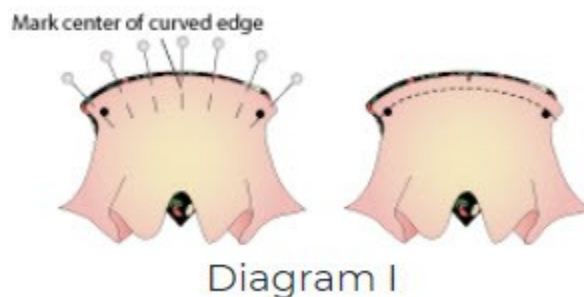

- 4 of Template B

From **Black Print**

- 8 of Template A
- 8 of Template B

To Sew Curved Seams

Mark the center of both Template A and Template B pieces' curved edges. Pin curved edges (right sides together) matching centers and ends. Ease in the fullness and stitch slowly. Remove pins as you approach them. See Diagram I.

Piecing:

See diagram below to make the correct number of combinations pieced squares for a total of 16.

Assembly – Use Diagram III as a guide. Layout pieces paying close attention to the design. Make rows and then sew the rows together.
