

BLOCK NUMBER 2: Rail Fence - with 4 colors

- These directions are for making a 12-inch square finished block.
- Use ¼ inch seams throughout.
- You will need 4 colors: a light, a medium, and two dark fabrics.

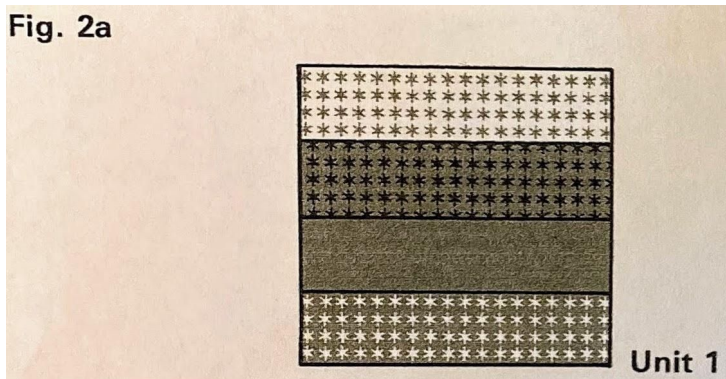

STEP 1a: Cut ONE 2-inch wide strip of fabric from each color. The strips need to be at least 28 inches (or more) long.

Sew the strips together in the order shown: Light, Dark #2, Dark #1, Medium.
Press all the seams in one direction.

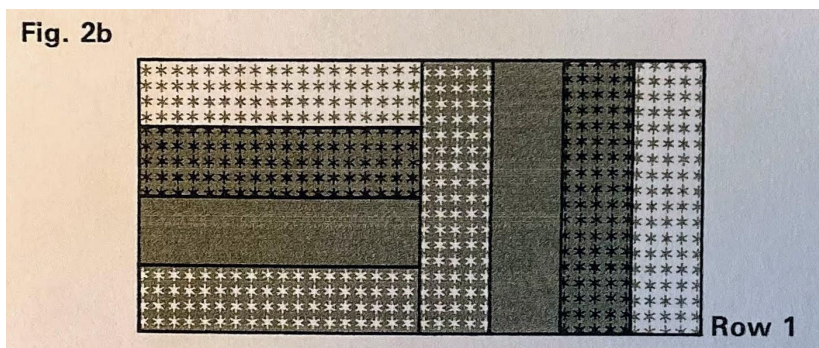

STEP 2a: Cut the strip units into 4 squares, 6 ½ inches wide. They will be 6 ½ inches square. If they are not, you will need to square them up.

Fig. 2a

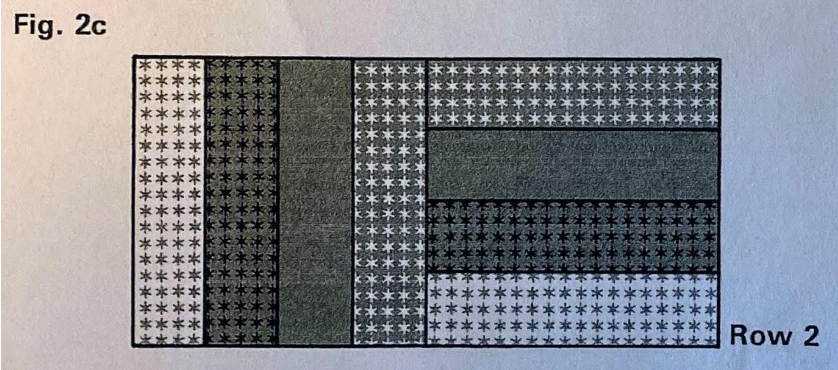

STEP 2b: Sew two of the squares together in formation shown below for row 1.

Fig. 2b

STEP 2c: Sew the other two squares together in formation shown below for row 2.

STEP 2d: Sew the two rows together as shown below to complete the rail fence block.
